

CLEARWAVE WATER SOLUTIONS

TERRA

WHOLE-HOME ACID & pH NEUTRALIZER

Earth's correction, engineered.

The Terra is a whole-home acid and pH treatment. It uses coral calcite, a natural mineral, to gently raise the pH of acidic water, with no chemicals at all. Balanced water protects your copper pipes from corrosion and pinhole leaks, stops blue-green staining, and tastes clean instead of sour or metallic.

KEY ADVANTAGES

- **NATURAL pH CORRECTION**
Coral calcite gently raises low pH to a safe, non-corrosive level. No chemicals.
- **PROTECTS YOUR PIPES**
Stops acidic water from eating away copper pipes and joints, the cause of pinhole leaks.
- **STOPS BLUE-GREEN STAINING**
Ends the blue-green stains that acidic water leaves on sinks, tubs, and fixtures.
- **BETTER-TASTING WATER**
Removes the sour, metallic taste that low-pH water carries to every tap.
- **SELF-CLEANING BACKWASH**
Automatically backwashes the calcite bed to keep it clean and flowing strong.
- **THREE TANK SIZES**
Scale from a 10 inch tank up to 12 or 13 inch for your home's flow.

PRECISION

PURITY

PROTECTION

PRIDE

Raised by Nature.

The Terra raises pH with nothing but a natural mineral. Acidic water flows down through a bed of coral calcite, which dissolves just enough to bring the pH back toward neutral, around 7.0. It self-corrects, so it never overshoots, and it never uses a single chemical.

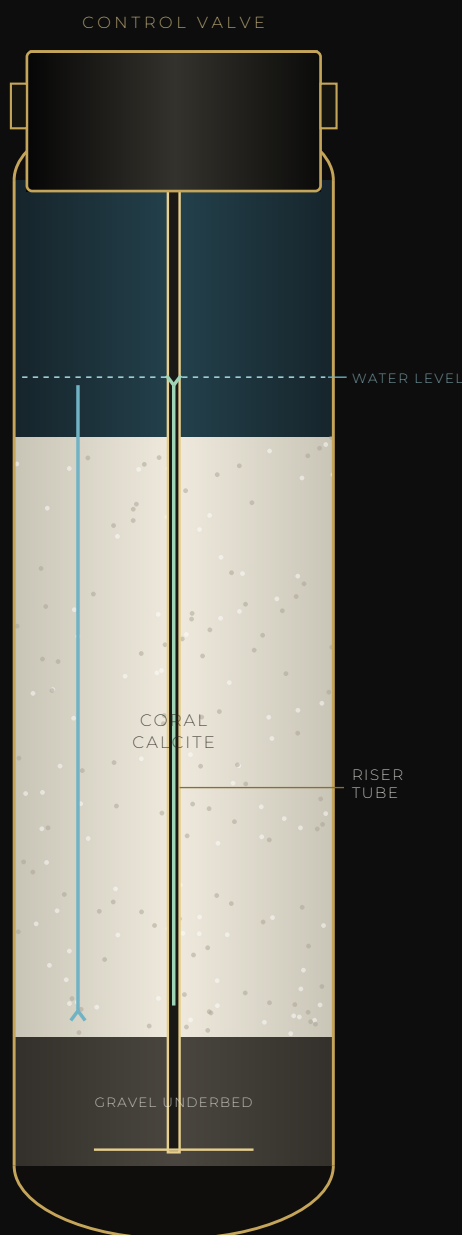

HOW IT WORKS

- 01 ACIDIC WATER ENTERS**
Low-pH, acidic well water flows into the tank and down through the coral calcite bed.
- 02 NATURAL NEUTRALIZATION**
The calcite slowly dissolves and raises the pH toward a safe, non-corrosive level near 7.0. It self-corrects and never over-treats.
- 03 BALANCED WATER DELIVERY**
pH-balanced water flows to your home, protecting pipes from corrosion and from leaching copper, lead, and metals.
- 04 SELF-CLEANING BACKWASH**
The valve backwashes the calcite to keep it clean and loosely packed, holding strong service flow.

THE NATURAL ADVANTAGE

- **NO CHEMICALS**
No acid-neutralizing chemicals to inject, store, or handle. Just a natural mineral.
- **NEVER OVER-CORRECTS**
Calcite only dissolves enough to reach balance, so the water never swings too far the other way.
- **SIMPLE UPKEEP**
The calcite slowly dissolves over time and is topped off during routine service.

INSIDE THE TERRA

TERRA ACID NEUTRALIZER SYSTEM . TECHNICAL CUTAWAY

Acid, Neutralized.

Acidic water quietly eats away copper pipes, stains fixtures blue-green, and tastes sour. The Terra corrects the pH with natural coral calcite, so your water turns non-corrosive and clean-tasting, with no chemicals to buy, store, or handle.

TERRA vs. A CHEMICAL FEED SYSTEM

WHAT EACH SYSTEM IS BUILT TO HANDLE

Capability comparison based on system design and typical well-water conditions. Actual results vary with water chemistry and sizing.

SYSTEM SPECIFICATIONS

	TERRA 10	TERRA 12	TERRA 13
Tank Dimensions	10" x 54"	12" x 52"	13" x 54"
Max Flow Rate	15-23 GPM	15-23 GPM	15-23 GPM
Backwash Rate	15-23 GPM	15-23 GPM	15-23 GPM
Media	Coral Calcite		
Backwash Control	Electronic		
Regeneration	Backwash Cycle		

OPERATING PARAMETERS

pH Range	5.0 - 7.0
Water Temp	40 - 110 F
Corrected pH	~ 7.0
Media	Coral Calcite
Salt Required	None
Chemicals	None

WHAT TERRA CORRECTS

- Low pH (Acidity)
- Water Corrosivity
- Copper & Lead Leaching
- Blue-Green Staining
- Pinhole Leak Risk
- Sour / Metallic Taste

◆ NATURAL, NO CHEMICALS

Coral calcite balances pH with a natural mineral. No acid-neutralizing chemicals to inject or store.

◆ SAVES YOUR PIPES

Balanced, non-corrosive water protects copper pipes from the pinhole leaks acidic water causes.

Protected for Life.

THE CLEARWAVE WARRANTY

TANK

Lifetime coverage on the pressure vessel. No degradation, no exceptions.

VALVE HEAD

Full coverage on the electronic backwash control valve.

MEDIA

Coral calcite naturally dissolves over time and is replenished during routine service.

LABOR

Every service call, every repair, every maintenance visit. Covered.

WHITE-GLOVE CONCIERGE SERVICE

- Professional installation by ClearWave technicians
- Annual system health check and performance verification
- Priority same-day or next-day service response
- Dedicated account manager for all water quality needs
- Direct line to your ClearWave specialist

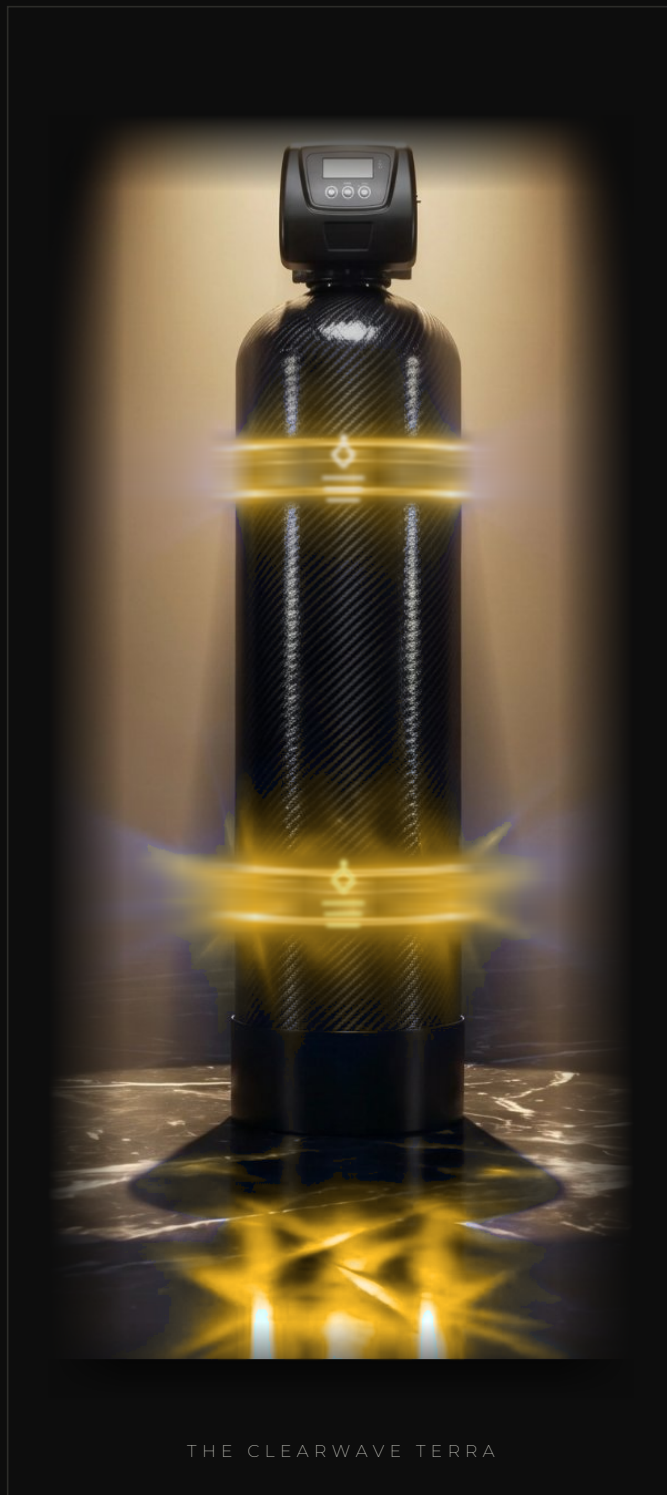

NATURAL pH CORRECTION | CORAL CALCITE

Acidic water, balanced by nature.

10 / 12 / 13 inch tanks | Backwash Valve | Lifetime Warranty

VETERAN-OWNED AND OPERATED

ClearWave Water Solutions is proudly veteran-owned and operated. We bring the same discipline, precision, and commitment to excellence that defined our military service to every installation we perform. Your home deserves nothing less.
